

# Leveraging Procedural Knowledge

**PyGrunn 2015**  
**K Rain Leander**  
**@rainsdance**

# Leveraging Procedural Knowledge

- Procedural knowledge
- Know thyself
- Drink from the firehose
- A return to your roots
- After the Workshop
- What's next?

# Procedural Knowledge

- Versus declarative knowledge
- What versus How
- And Why

# Know Thyself

- Who am I?
- 1983 TI-99/4A computer
- Languages / logic puzzles / math
- Dancer / choreographer
- Self taught HTML / CSS web / graphic designer
- Master of Information Technology

# Drink From The Firehose

- 1993 Red Hat and open source
- 2009 Associate Technical Support Engineer
- US Military bootcamp vs Red Hat bootcamp
- RHCE RHEL5
- Leveraged procedural knowledge

# A Return to Your Roots

- Django Girls Workshop
- Preparation
- The Workshop
- Troubleshooting
- <http://leanderthalblog.herokuapp.com>

# After the Workshop

- Django Girls Tutorial Extensions
- <https://www.gitbook.com/book/djangogirls/django-girls-tutorial-extensions/details>
- OpenShift deployment
- <http://django-leanderthal.rhcloud.com>
- Limitation indicators

# What's Next?

- OpenShift deployment
- PythonAnywhere deployment
- Practice, practice, practice
- Community contribution
- Build an app (or two)
- Django Girls Groningen September 19

# Leveraging Procedural Knowledge

Thank You
